

Sammy Spider's First Thanukkah

Written and Illustrated by KC

Inspired by Sylvia A. Rouss

- We are learning about the Hanukkah and Thanksgiving traditions.
- We learned that Hanukkah isn't a holiday about giving gifts, but about the miracle of the oil lasting 8 days instead of only one.
- We learned that Thanksgiving is an American holiday when the Pilgrims gave thanks to the Native Americans for teaching them how to survive and live off of the land.
- We demonstrated our knowledge of how to write a sentence and used our writing skills such as capitalization, punctuation, proper letter formation and proper spacing of words in our writing.
- We phonetically sounded out words and illustrated pictures to complete our first book, Sammy Spider's First Thanukkah.
- We were inspired by our Author visit from Sylvia A. Rouss, writer of all the Sammy Spider books, who visited Epstein last month.
